

College Station Independent School District

Success...each life...each day...each hour

MEMORANDUM

To: Mike Martindale, Superintendent *Mike 10/13/20*
From: Penny Tramel, Chief Academic Officer *P. S.*
Date: October 13, 2020
Subject: Receive a Report on HB3 Board Goals and Plans
Agenda Item: H-4

BACKGROUND

As part of the 86th Legislative Session, House Bill 3 (HB3), which was a significant finance bill, passed. As a result, School Boards across the state are required to establish a PreK through 12th grade goal of at least 60 percent proficiency at TEA's "Meets" standard at two key "checkpoints" along the state's public Pre-K through 12th grade educational continuum. These two checkpoints are:

- Sixty percent of all students meet the state's "Meets" standard at third-grade reading.
- Sixty percent of all high school seniors graduating without the need for remediation and achieving (1) an industry-accepted certificate aligned with a living wage job; or (2) enrolling in post-secondary education' or (3) enrolling in the military.

Annual monitoring of progress toward these five year goals is also a requirement of school boards.

RECOMMENDATION

It is recommended that the CSISD Board of Trustees approve the HB3 Board Goals and Plans for the College Station Independent School District.
