

College Station Independent School District

Success...each life...each day...each hour

MEMORANDUM

To: Mike Martindale, Superintendent *MMJ*
From: Penny Tramel, Chief Academic Officer *P. T.*
Date: December 7, 2021
Subject: Receive an Annual Report on HB3 Board Goals and Plans
Agenda Item: H-1.

BACKGROUND

As part of the 86th Legislative Session, House Bill 3 (HB3), which was a significant finance bill, passed. As a result, School Boards across the state were required to establish a PreK through 12th grade goal of at least 60 percent proficiency at TEA's "Meets" standard at two key "checkpoints" along the state's public Pre-K through 12th grade educational continuum. These two checkpoints are:

- Sixty percent of all students meet the state's "Meets" standard at third-grade reading.
- Sixty percent of all high school seniors graduating without the need for remediation and achieving (1) an industry-accepted certificate aligned with a living wage job; or (2) enrolling in post-secondary education or (3) enrolling in the military.

CSISD adopted Board Goals at the October 2020 school board meeting. Annual monitoring of progress toward these five year goals is also a requirement of school boards. College Station ISD would like to use STAAR and our MAP Growth data to progress monitor students' progress toward the "Meets" standard on the STAAR test. To monitor the CCMR goals, we will look at enrollment at semester of the percent of students meeting the College Ready, Career Ready, and Military Ready standards.

RECOMMENDATION

It is recommended that the CSISD Board of Trustees receive an annual report on Board Goals and Plans and approve the HB3 Board Goals and Plans for the College Station Independent School District with progress monitoring being around student growth.
