

College Station Independent School District

Success...each life...each day...each hour

MEMORANDUM

To: Mr. Mike Martindale, Superintendent

From: Amy Drozd, Chief Financial Officer 

Date: September 16, 2021

Subject: Consider approval of 3-year Edgenuity subscription

Agenda Item: J – 3.

Background

Edgenuity is a software program designed for many instructional purposes. All three of our high schools have been using this program for several years and are reporting recurring student academic successes. This program allows students access to high school and middle school coursework for unique courses such as Mandarin Chinese, original credit courses, credit recovery, and special education support. Also included in this agreement are STAAR, EOC, SAT, ACT, and college exam preparatory courses.

The Department of Curriculum and Instruction recommends the renewal of this subscription to continue choice, flexibility, and support for our student's educational opportunities. The attached quote for the renewal of the site licenses at the all three high schools and the addition of site licenses for our three middle schools is available by BuyBoard Contract #573-18.

It is the recommendation of Ms. Carmella Shafer, Director of Purchasing, and Dr. Penny Tramel, Chief Academic Officer, to purchase a 3-year subscription at a cost of \$70,920 per year for a total of \$212,760 from Instructional Materials Allotment (IMA) Funds.

Recommendation

It is recommended that the Board of Trustees of the College Station Independent School District approve a 3-year subscription of the Edgenuity Software at an annual amount of \$70,920 per BuyBoard Contract #573-18 from Instructional Materials Allotment Funds.
