

College View High School

Campus Improvement Plan
2022-2023

Board Approval Date: September 20, 2022

Mission Statement

Success Each Life, Each Day, Each Hour

Vision

CSISD learners, teachers, leaders and the community collaborate to foster lifelong learning through relevant growth opportunities and meaningful relationships. Together we prepare our learners for their own unique success each life, each day, each hour.

CSISD Board Beliefs and Commitments

We believe the purpose of education is to develop productive citizens.

CSISD will...

- Promote community engagement
- Recognize the diverse perspectives of others
- Demonstrate mutual respect for all
- Ensure students are prepared for careers, college or the military

We believe educators and students can be lifelong learners, who are excited to engage in learning together.

CSISD will...

- Facilitate self-directed, meaningful, real world learning experiences
- Motivate students to explore and discover challenging experiences
- Nurture enthusiasm for learning

We believe relationships and communication are driving forces in education.

CSISD will...

- Encourage and strengthen communication opportunities amongst families, learners, educators and community members
- Provide professional learning and support to build positive relationships

We believe critical thinking, real world problem-solving and engaged learning are crucial to learner's success now and in the future.

CSISD will...

- Design opportunities for students to experience learning beyond the classroom
- Foster student voice and ownership in learning
- Provide professional learning and support for educators to ensure the development of critical thinking and engaged learning

We believe the skillful use of technology can enhance learning experiences.

CSISD will....

- Provide equitable access to technology
- Ensure technology is used to enrich educational experiences
- Provide professional learning and support to educators and learners

CSISD Board Goals

1. CSISD will enhance effective instructional practices by implementing innovative and personalized learning experiences.
2. CSISD will elevate academic outcomes of historically underperforming student groups.
3. CSISD will enrich students' school experience by strengthening relationships between students, staff, and families.
4. CSISD will cultivate and strengthen intentional partnerships with local businesses, community organizations, and higher education agencies.
5. CSISD will improve the technology ecosystem by increasing access to devices, strengthening technology infrastructure, and ensuring a safe and secure digital environment.
6. CSISD will transform the learner experience through purposeful integration of instructional technology to augment the teaching and learning process.

[District Improvement Plan Acronyms & Definitions Sheet](#)

Executive Comprehensive Needs Assessment Summary

Areas Examined	Summary of Strengths (What Strengths were identified?)	Summary of Needs (What needs were identified?)	Priorities (What are the priorities for the district?)
<p>Demographics</p>	<p>College Station ISD has close to 14,000 students and some diversity with 52.1% of the population being White, 23.3% being Hispanic, 13.5% African-American, 7.3%, Asian/Pacific Islander, 3.4% Two or more races and 0.4% American Indian.</p> <p>The economically disadvantaged population accounts for 35.11% of our students for the 2018-2-19 school year, which is about the same as the 2019-2020 school year, while 34.71% of the students are designated at-risk as compared to the 2018-2019 percentage of 34.4% of the student population is designated at-risk. Our LEP population is consistent with around 8.4% of our students being LEP. With the state change in identification of our dyslexic students, the number of students with dyslexia has increased 20% since 2018-2019. We are able to catch these students earlier for intervention, enabling them to start their dyslexia program in earlier grades.</p>	<p>The number of students receiving special education services continues to increase indicating that we need to strengthen our Multi-Tiered System of Support (MTSS) across the district. We currently have around 1,787 special education students with 31% of these students being in "Speech Services," 24% identified as being "Learning Disabled," 14% being identified with "Other Health Impaired" and 13% being students with "Autism." The Gifted and Talented Program demographic percentages do not mirror our overall student population. The largest discrepancies are in the ethnic groups of African American (AA) and Hispanic (H), with the AA students being under-identified by 11%, and the Hispanic students being underidentified by 13%. We would like to expand the number of students who are taking a CTE course in order to expose more students to career opportunities.</p>	<p>Our priorities for demographics this year is to address closing the achievement gap with our students from poverty and the ethnic group H. One priority includes establishing a strong, calibrated MTSS program across PK-12th grades in order to address our increasing special education population. We will embed gifted and talented strategies in the core curriculum for grades 7th-12th in order for all students to have the opportunity to learn through their interest, experience performance based assessments, and rigor throughout their day.</p> <p>CTE courses will be added through General Employability during Advisory. Targeted tutorials will be implemented for all students who are under performing along with those individuals notated for HB4545 Accelerated Learning Intervention. Released EOC's, Edgenuity, and Study Island will be utilized to enhance intervention for identified students.</p> <p>TAPR data shows areas of concern in the following with regards to approaches grade level: Hispanic population for English 1 and 2. Algebra 1 shows gaps in the white population. Biology shows gaps in the hispanic population.</p> <p>Concerning incoming freshmen, STAAR data shows gaps in the white population for math while reading shows gaps in the hispanic population in reference to approaches grade level.</p> <p>Targeted intervention and MTSS strategies</p>

			will focus on addressing the above mentioned gaps for CVHS.
<p>Student Achievement</p>	<p>Students continue to be highly involved in extracurricular activities, with approximately 83% of our students participating in some kind of fine arts and 43% participating in athletics. Our students experience success in competing at the regional and state levels and some CSISD students progress to the national level in competitions. CSISD students are highly competitive on their SAT and ACT scores for college admission, with graduates' average scores exceeding state averages where they are available (SAT CSISD 1131 with no state or national average available and ACT CSISD 23.9 vs. State 20.6 and National 20.6) from those that took the test.</p> <p>Since we did not have STAAR last year, our results stay the same in that at the all-student level, CSISD students outperform state averages in reading, writing, math, social studies and science at all grades on STAAR, with the exception of 7th grade mathematics.</p>	<p>Measures of Academic Progress (MAP) data indicate that there are groups of our students, specifically those from poverty, and the ethnic groups of AA and H are not growing at the rate they should in their learning. This is causing gaps, and those gaps are evident in our district STAAR data as well.</p> <p>Participation in our CTE program is at 24.4%, which is below the state participation rate of 26.3%.</p> <p>We have a range of gifted and talented students in grades 7th-12th who failed at least one class in the first semester, with the highest percentage of failures at 9th and 10th grade with failure rates of 5.9% and 5.3 % respectively. Because we did not have STAAR data from last year and our data is not yet in for this year's STAAR assessment, we continue to have five Targeted Improvement Campuses with an overall district rating of a "B." Supporting our TIP campuses and pursuing excellence in growth for all students in our district will continue to be a focus in the 2021-2022 school year.</p>	<p>K-3 teachers and administrators will attend the K-5 Reading Academies based on the Science of Teaching Reading in order to ensure all students are reading by third grade. Tier II interventions for the MTSS system will be conducted primarily in the regular classroom in order to limit the amount of time students are pulled away from the general instructional environment. The district will purchase and train stakeholders on the MTSS data management software to promote effectiveness in progress monitoring and efficiency in SIT meetings.</p> <p>In the 2021-2022 school year, we will add Principles of Applied Engineering, Principles of Law, and Cyber Citizenship to our 7th and 8th grade CTE offerings in order to expand CTE opportunities for students at the middle school level.</p> <p>Purchase an MTSS system that meets the needs of all grade spans and train stakeholders in the use of the new MTSS System; continue data talks and training with administrators for use of MAP data to track student growth and ensure instruction is adjusted based on data analysis, monitoring of instruction, and staffing of students so that all student have the opportunity to grow to their full potential in the 2021-2022 school year; continue to support implementation of inquiry practices in science classrooms to maintain the increases in student performance in the area of science; ensure scope and sequence is followed in</p>

			<p>mathematics and that resources are used to address the needs of at-risk learners</p>
<p>Curriculum and Instruction</p>	<p>Curriculum documents in the English Language Arts, Math, and Science K-12 are at a point of refinement and Social Studies will be at that point after curriculum writing the summer of 2021. This summer additional performance assessments will be added to the documents and Stage 3 of the curriculum will be refined with ensuring all the digital resources purchased for instruction this year are embedded in the units for teachers to use. MAP Growth and MAP Fluency was used to drive instruction at most of our campuses this past year with targeted instruction for students happening as a result. 5-12 science teachers were trained in inquiry practices and Argument Drive Inquiry; the curriculum team completed the Virtual Schools Network Virtual Learning Training to learn how to write quality curriculum to support our teachers teaching virtually and the curriculum team took a Quality Matters Rubric class to learn how to evaluate virtual curriculum for quality. 98% of our AVID senior class met four year entrance requirements for college readiness; the SAMR (Substitution, Augmentation, Modification and Redefinition) model was introduced to all 19 campuses this year; we added summer school programs for K-12 students to help close the gaps as a result of students missing six weeks of instruction this past spring. Our curriculum coordinators for math and ELAR have prepared targeted curriculum for teachers to implement during summer school to maximize their instructional time with</p>	<p>MTSS resources for progress monitoring need to be defined for ELAR and math, MTSS software needs to be purchased for use PK-12, and writing training for consistency and we need consistency with teachers teaching small guided reading and math groups across the district; resources for GT at the secondary level need to be embedded in the curriculum, and implementation of inquiry strategies in science need to be strengthened; data indicates that many of our students are not growing at the rate projected on MAP assessments; we need to increase CTE courses at the 7th and 8th grade levels and the number of “completers” as per the new state emphasis on CTE programming; walkthroughs show low levels of technology integration into instruction with most technology use at the Substitution level of the SAMR (Substitution, Augmentation, Modification, and Redefinition) Model; continue to build teachers’ and administrators’ capacity in the use of instructional technology resources; we need to continue to train administrators and teachers on the use of data to drive instruction</p>	<p>Administer CBM, ’s for 5th, 6th, and 7th grade social studies and US History; complete a district math inventory and use IMA funds to establish a base inventory of math manipulatives for each campus; continue to monitor implementation of a balanced literacy program that includes reading, handwriting, writing, spelling and grammar instruction at appropriate grades through walkthroughs and lesson plans; K-3 teachers and principals will participate in HB3 Reading Academies; target 50% of the AVID students to take an AP or dual credit class; provide professional learning on levels of technology integration using the SAMR (Substitution, Augmentation, Modification, and Redefinition) Model as the structure; use MAP data to ensure instruction is adjusted for student success; write curriculum for newly defined “Advanced” courses; write stage 3 for non-core classes; train students, counselors, and parents on CTE “completer” criteria; ensure CTE students take certification tests during the school year; build capacity of teachers to design virtual instruction and administrators to supervise teachers who teach virtually in order to strengthen instructional leadership; continue to build capacity in using our LMS (Schoology) throughout the district and build capacity of staff in using instructional technology; increase Head Start attendance to 90%, 75% on target in CIRCLE phonological awareness; introduce the Instructional Framework</p>

	students. We grew from 70 to 80% on CIRCLE math.		
Culture and Climate	<p>In considering the culture and climate of our schools and the classrooms we look at discipline data and district surveys. We had .7% of our students placed in DAEP this year. Out of the 94 student placements in DAEP, 43% were African Americans (AA), 31% were Hispanic (H) students, and 22% were White (W). Our leadership programs continued for educators throughout this year and several of our participants have moved into higher administrative roles.</p>	<p>Out of School Suspensions (OSS) had 51% of the students being AA, 20% of the students being H and 23% of the students W. Partial Day Out of School Suspensions had 47% of the students being AA, 29% of the students H, and 17% of the students W. In School Suspension (ISS) numbers are 44% AA, 25% H, and 27% W with partial day In School Suspension being 55% AA, 15% H, and 22% W. This indicates there is a disproportionate number of our students who are AA being placed in OSS, Partial Day OSS, and ISS. Staff surveys from campuses are mixed with some expressing high satisfaction with the culture and climate on their campuses while others express a potential need for improvement. Staff overall indicated a need for more professional learning. We did have limited professional learning this year due to COVID restrictions.</p>	<p>We will continue to use Panorama Survey data to monitor and respond to staff input on climate and culture as well as systems and support throughout the district.</p>
Staff Quality and Retention	<p>Ninety-six percent of new hires completing the NTU process were satisfied or very satisfied with the overall NTU experience this year. One hundred percent were satisfied with their campus orientation day. 82% of the participants were satisfied or very satisfied with the district day and 83% of them were satisfied or very satisfied with the technology orientation day. When asked about the things they did not like about NTU, the overwhelming response was having the district day run through Zoom due to COVID-29. CSISD staff have access to virtual learning experiences through Schoology and Hoonuit to build</p>	<p>Our Panorama Teacher Survey indicated that teachers wanted more professional learning this year. The district chose to make some of our professional learning days student instructional days due to COVID-19 and the number of days students were out of school last spring. We implemented Panorama surveys this year and the surveys have given us insight into the culture and climate of some of our buildings. While some schools have very healthy climates and cultures, others need to improve in this area. Time is needed this year for professional learning the teachers are requesting. A shortage of substitutes</p>	<p>We will leverage our 2021-2022 adopted calendar to provide time for our elementary campuses to complete a good portion of the K-5 Reading Academy and provide supplemental pay in proportion to hours the state says are needed. The district will utilize funding to “close the gap” for time lost with instruction due to COVID-19. We will also implement the 20212022 calendar to maximize planning and learning time for grades 4-12 educators in the district aligned to our Strategic Plan; provide optional ongoing training that is aligned to our strategic plan throughout the year for our teachers; target support for campuses based</p>

	their capacity in a wide range of areas.	has also been a problem this year and campuses have had to cover classes when they are short substitutes.	on need
Technology	Our technology department responded to 6,187 Device Helpdesk Tickets put into our system this year and resolved 6,174 of them for a response rate of 99.7%. There were 735 Infrastructure Related Helpdesk tickets and 686 of them were closed for a solution rate of 93.3%. Schoology expectations are in place and teachers have built a comfort level using our LMS over the last year. We introduced the SMAR model to all campuses.	A technology survey indicated that teachers need more devices for effective use in instruction. There is also a need for the infrastructure to be more robust as more and more devices are using the network. Our strategic plan with input across the community and school district indicates we need to work in these two areas as well. While we introduced SAMR at campuses, teachers do not understand how to incorporate it into instructional design.	Increase devices across the district to better support instructional integration of technology into instruction; establish a comprehensive technology plan for staff and begin implementation
Family/Community Involvement	Schools have implemented innovative ways to maintain contact with their parents throughout this year with not being able to have parents volunteer in the buildings. They did drive through "Meet the Teacher" evenings and days, Zoom Meet the Teacher Individual Family time and gave orientations online. Some of the events went so well, administrators want to keep them moving forward. We continued to offer Leadership CSISD and continued to have District Education Committee and SHAC Committee meetings. Principals had PTO meetings online and our Head Start Policy Council held all their meetings online this year. We did notice that our online meetings were consistently well attended. The use of our Learning Management System (Schoology) was highly used throughout this year to communicate with parents and students. Our Director of CTE is actively out in the community seeking partnerships and community partnerships is	Partnerships need to be expanded to support internships for students in our CTE program; we would like more service and reciprocal partnerships between our schools and the community.	We will strengthen relationships between the school, students, and families and cultivate and strengthen intentional partnerships with local businesses, community organizations, and higher education agencies.

	a focus in our new strategic plan.

Goal: 1	CSISD will enhance effective instructional practices by implementing innovative and personalized learning experiences.								
Specific Result 1.1	Provide a variety of learning experiences that address distinct learning needs, interests, aspirations, and cultural backgrounds of all learners.								
Strategies and Action Steps	Person(s) Responsible	Resources	Timelines	Special Populations	Evidence of Success	Formative Reviews <i>Review 1 - Campus (Oct), DEIC (Nov)</i> <i>Review 2 - Campus (Feb), DEIC (March)</i> <i>Review 3 - Campus (May), DEIC (June)</i> #1 #2 #3			Supported by State or Federal Funds
Each campus will identify and implement next steps of the instructional phase of the CSISD Framework for Success implemented in year one to enhance depth and complexity of staffs' understanding (CIP): (Connect)	Campus Administrators	CSISD Framework for Success Professional Articles Co-Lab Trainings and strategies	August 2022 - May 2023	All	PD Sessions, walkthrough's, observations, and artifacts.				
Using a variety of data sources (end of year surveys, STAAR/EOC data, etc.), campus principals will identify and implement their second phase of the CSISD Framework for Success to implement into their professional learning plans to improve instructional practices (CIP): (Connect)	Campus Administrators	Panorama Survey, STAAR/EOC Results, STAAR/EOC released exams for practice, Study Island prer. For HB4545, Campus Climate Survey,	May 2023 - August 2023	All	STAAR/EOC scores, Study Island interventions, HB4545 documentation.				

<p>Audit instructional resources and strategically abandon those that are not being utilized.</p>	<p>Campus Administrators</p>	<p>Classroom Impact Inventory.</p> <p>Looking to add STAAR/EOC bundle packets for the CORE subjects, new programming for Science, and continue use of study island for HB4545 and enhancement.</p>	<p>June 2022 - Dec. 2022</p>	<p>All</p>	<p>Streamlined list of resources with connection to the CSISD Framework for Success</p>				
<p>Using a variety of data sources (end of year surveys, STAAR/EOC data, etc.) campus principals will identify an area for instructional focus from the CSISD Framework for Success and plan for implementation: (Collaboration)</p>	<p>Campus Administrators</p>	<p>Campus Instructional Implementation Plan based on the Phase of "CONNECT" from the framework for success. Utilizing the area of collaboration and tools to support helping students become better communicators and advocates for their learning.</p>	<p>August 2022 - May 2023</p>	<p>All</p>	<p>Campus instructional focuses; walkthrough data</p>				
<p>Carry out the Campus Instructional Implementation Plan (rooted in step 4)</p>	<p>Campus Administrators</p>	<p>Campus Instructional Implementation Plan in August PD. Provide overview and focus on Connect for year 2 focus.</p> <p>Every month, spend dedicated time during staff PD to build on</p>	<p>August 2022- May 2023</p>	<p>All</p>	<p>Professional learning plans and artifacts; walkthrough data; agendas from Success Team collaboratives; Improved learning outcomes</p>				

		Connect pieces such as looking for ways to challenge students to express opinions, advocate for individual needs, and making meaning of their learning, Depth of Knowledge (DOK) level 4 to apply and understand the significance of new learning to their daily lives.							
Integrate the CSISD Framework for Success into the UbD Stage 3 sample lessons in the curriculum documents in Schoology	Curriculum Coordinators; Curriculum writing teams	CSISD Framework for Success	August 2022-May 2023	All	2 sample lessons per course				

Goal: 1	CSISD will enhance effective instructional practices by implementing innovative and personalized learning experiences.								
Specific Result 1.2	Create a system of personalized professional learning for all educators								
Strategies and Action Steps	Person(s) Responsible	Resources	Timelines	Special Populations	Evidence of Success	Formative Reviews <i>Review 1 - Campus (Oct), DEIC (Nov)</i> <i>Review 2 - Campus (Feb), DEIC (March)</i> <i>Review 3 - Campus (May), DEIC (June)</i> #1 #2 #3			Supported by State or Federal Funds
Build understanding of what it means to create personalized learning to grow and develop educators	Campus Administrators	Staff PD, district training days, and teacher led PD.	August 2022 - May 2023	All	Six weeks grades, STAAR/EOC Results, HB4545 and MTSS intervention and GT tracking.				

Using the Power School Professional Learning system, include varied learning opportunities such as: -Curated choices at campus level -Learning /doing model -Coaching and Professional Learning Communities	Campus Administrators	Train and utilize the CTF to lead training throughout the year, during advisory, to help teachers learn and grow in PowerSchool.	August 2022 - May 2023	All	Monthly Staff PD, CTF led training sessions and supports.				
Provide support for teachers in individual growth toward T-TESS instructional goals, MTSS, GT.	Campus Administrators and CTF	Staff PD and individual conferences. District training with department leadership throughout the year.	August 2022 - May 2023	All	Goal setting conferences, walkthrough feedback, observations, post conferences, summative conferences, and monthly PD sessions.				

√ =Accomplished C =Considerable S =Some Progress N =No Progress X =Discontinue
Summative Evaluation (to be filled in by June 2023 by administration)

Goal: 1	CSISD will enhance effective instructional practices by implementing innovative and personalized learning experiences.								
Specific Result 1.3	Engage in a process for student individual goal setting and progress monitoring								
Strategies and Action Steps	Person(s) Responsible	Resources	Timelines	Special Populations	Evidence of Success	Formative Reviews Review 1 - Campus (Oct), DEIC (Nov) Review 2 - Campus (Feb), DEIC (March) Review 3 - Campus (May), DEIC (June) #1 #2 #3			Supported by State or Federal Funds
Build understanding with campus administrators on effectively using data from	Campus Administrators	Co-Lab, and district leadership in the core	August 2022 - May 2023	All	Monthly PD sessions to discuss students who are				

different assessment types, such as STAAR/EOC, state, and district assessments (CIP - personalize based on needs and next steps, such as student-led conferences and student goal setting)		subjects.			struggling and students who need enrichment

Goal: 2		CSISD will elevate academic outcomes of historically underperforming student groups.							
Specific Result 2.1		Increase student success of underperforming groups by establishing a calibrated, comprehensive Multi-Tiered System of Supports Program.							
Strategies and Action Steps	Person(s) Responsible	Resources	Timelines	Special Populations	Evidence of Success	Formative Reviews			Supported by State or Federal Funds
						Review 1 - Campus (Oct), DEIC (Nov)	Review 2 - Campus (Feb), DEIC (March)	Review 3 - Campus (May), DEIC (June)	
						#1	#2	#3	
Provide feedback and and participate in the revision process of the CSISD MTSS Handbook (CIP)	Campus Administrators	Secondary Principal meetings and Co-Lab.	August 2022 - May 2023	At-risk students	Principal Co-Lab sessions, Principal Secondary Meetings.				
Implement MTSS processes aligned to the CSISD MTSS Handbook (CIP)	Campus	District MTSS guidelines and protocols. Campus CIP.	August 2022 - May 2023	At-risk students	STAAR/EOC results				
Provide campus-based training on using student data in Performance Matters to differentiate instruction using tools and strategies provided by the district (CIP)	Campus Administrators and Campus Technology Facilitator (CTF)	Monthly staff PD and district designated days for staff learning.	August 2022 - May 2023	At-risk students	Monthly Staff PD, CTF led training sessions and supports.				

All key stakeholders and curriculum staff will be trained on the use of a selected MTSS data management software	Chief Academic Officer; Director of Instruction and Leadership Dev.; C&(Coordinators & Directors; Campus Principals; Campus Core Teachers	Executive Launch Training, Principal, Core Team, and Teacher Training	June 2022-Feb. 2023	At-risk students	Training sign-in sheets				Title II Funds \$20,950
Clearly define the district Multi-Tiered System of Support process that will be used PK-12 with the data management software and document it in an MTSS Handbook	Principals; Chief Academic Officer; Executive Director of Secondary Education; Coordinators for ELAR and Math	Training	June 2022-July 2023	At-risk students	MTSS Handbook				
Train secondary teachers on small group instruction for Tier II intervention time	Region VI; Executive Director of Secondary Education	Training	Feb. 2022-Feb 2023	All	Agendas; Training sign-in sheets				
Communicate expectations for use of MTSS software	Campus Principals; Chief Academic Officer; Executive Director of Secondary Education; Coordinators for Math and ELAR	MTSS Handbook with processes	August 2022	All at-risk	Monthly PD Sessions.				
Implement and monitor for calibration across the district	Campus Principals; Chief Academic Officer; Executive Director of Secondary Education; Coordinators for Math and ELAR	MTSS Handbook with processes	Sept. 2022-May 2023	All at-risk	Agendas; Training sign-in sheets				

Goal: 2	CSISD will elevate academic outcomes of historically underperforming student groups.								
Specific Result 2.2	Increase student achievement by implementing research based best practices in Tier I instruction in all classrooms.								
Strategies and Action Steps	Person(s) Responsible	Resources	Timelines	Special Populations	Evidence of Success	Formative Reviews <i>Review 1 - Campus (Oct), DEIC (Nov)</i> <i>Review 2 - Campus (Feb), DEIC (March)</i> <i>Review 3 - Campus (May), DEIC (June)</i> #1 #2 #3			Supported by State or Federal Funds
Principals will choose an instructional best practice focus area(s) in conjunction with the phase of the Framework for Success based on instructional needs for students and monitor walk through data for implementation (CIP): (Connect/Collaboration)	Campus Administrators	CSISD's Framework for Success and district resources for the "Connect Phase".	August 2022 - May 2023	All	Monthly PD Sessions, District training days, teacher led sessions on successes and strategies.				
Implement professional learning community protocols and practices on campus (CIP)	Campus Administrators	Monthly Staff PD	August 2022 - May 2023	All	District meeting. Many teachers are singletons and get support from the other high schools.				
Principals will establish a best practice focus area(s) for their campus based on instructional needs for at-risk students and target it for 40% implementation in walkthroughs and observations (Connect)	Chief Academic Officer, Executive Director of Secondary Education, Campus Principals	Training materials for principals and staff	August 2022-Oct. 2023	All	Walkthrough data analysis, Lesson Plans, Observation data				

√=Accomplished C=Considerable S=Some Progress N=No Progress X=Discontinue

Summative Evaluation (to be filled in by June 2023 by administration)

Goal: 3	CSISD will enrich students' school experiences by strengthening relationships between students, staff, and families.								
Specific Result 3.3	Promote an engaging relationship between the school district and community								
Strategies and Action Steps	Person(s) Responsible	Resources	Timelines	Special Populations	Evidence of Success	Formative Reviews <i>Review 1 - Campus (Oct), DEIC (Nov)</i> <i>Review 2 - Campus (Feb), DEIC (March)</i> <i>Review 3 - Campus (May), DEIC (June)</i> #1 #2 #3			Supported by State or Federal Funds
Each campus will provide one community outreach activity during the school year to engage stakeholders off-campus in a more familiar setting.	Campus and Community	Open-House social, Fall Pot-luck, and Spring Family night at CVHS.	August 2022 - May 2023	All	Parents, students, and staff participating together in these events and publicized through social media.				
Each campus will identify and participate in one community service project.	Campus Administrators	Chrissy's Closet, Bowlathon	August 2022 - May 2023	Administration and Students	Students earning community service hours. Administration giving back to the community.				
Share campus-based community outreach activities and community service projects with the broader CSISD community	Campus Administrators	Facebook, Instagram, Twitter, and Campus Webpage. Keep in contact with the district communication officer.	August 2022 - May 2023	All	Social Media, website, Monthly Community Smore letter.				
CVHS will provide one community outreach activity during the school year to engage stakeholders off-campus in a more familiar setting.	Campus Leadership, Chief Academic Officer; Executive Director of Secondary	Service opportunities (beyond existing projects)	August 2022 - Jan. 2023	All	Campus artifact and reports of outreach activity and stakeholder attendance				

	Education								
CVHS will provide an opportunity for students to have a real world experience.	Campus Administration	ChallengeWorks , College Visits, A&M Rellis.	August 2022 - May 2023	All	Reflection Survey and Artifacts				
CVHS will identify and participate in one community service project	Campus Leadership, Chief Academic Officer; Executive Director of Secondary Education	Service Learning information, Chrissy's Closet, Food Bank, Blood Drives.	August 2022 - May 2023	All	Campus artifact and reports of community service projects				

Goal 6:	CSISD will transform the learner experience through purposeful integration of instructional technology to augment the teaching and learning process.								
Specific Result: 6.1	Establish and utilize a comprehensive instructional technology plan for teachers and staff.
