BACKGROUND

Faculty members at A & M Consolidated High School have identified a need for Smartboard and Sympodium Classrooms. These systems will enhance the instructional capabilities in those classrooms.

A Request for Quotes has been distributed to Catalog Information Services Vendors. The responses were reviewed by both Purchasing and Technology personnel.

The vendor that provides the best value to the District appears to be MicroAge College Station. The funding for this proposed purchase would be provided from 2006-2007 technology budget funds and from campus activity funds at A & M Consolidated High School.

RECOMMENDATION

It is recommended that the Board of Trustees of College Station Independent School District consider approval of the quote from MicroAge College to provide Smartboard and Sympodium Classrooms as specified in the Request for Quotes for a total cost of \$194,344.66, subject to approval of the 2006-2007 budget.
