## BACKGROUND

The Purchasing and Maintenance Departments have advertised a Request For Bids to the public for Plumbing Labor. As maintenance situations arise that are beyond the capacity of the District maintenance staff, the availability of qualified skilled labor is essential to the Maintenance Department.

The bid responses have been evaluated by personnel in the Purchasing and Maintenance Departments.

The bid from United Plumbing and Contracting appears to provide the best value to the District.

## RECOMMENDATION

It is recommended that the Board of Trustees of College Station Independent School District consider approval of the bid from United Plumbing and Contracting for plumbing labor for the 2006-2007 fiscal year, subject to approval of the 2006-2007 budget.
