

College Station Independent School District

Success....each life....each day....each hour

MEMORANDUM

To: Dr. Eddie Coulson, Superintendent

From: Greg McIntyre, Deputy Superintendent for Curriculum, Instruction, and Personnel 

Date: February 14, 2007

Subject: Consider Approval of the District Goals and Objectives for the 2007-08 School Year

Agenda Item: J-1

Board Priority/
District Goal: Priorities A, B and C: Goals 1, 2, 3, 4 and 5

BACKGROUND

The CSISD District Educational Improvement Council (DEIC) has the responsibility of recommending to the School Board the District Improvement Plan each year. The DEIC met during December and January to review data and feedback related to student performance, educational practices, and parental involvement, and safe learning environments.

The goals and objectives recommended by DEIC are largely the same as in years past. This consistency serves as a testament to the district purpose of success: to ensure the each student is academically successful and that the unique academic, social, and emotional needs of each student are met in a safe learning environment. Adding to the consistent focus are objectives which center upon reducing the achievement gap, encouraging commended performance, and opportunities for all CSISD employees to enter the dialogue on behalf of high expectations and school culture.

I appreciate the leadership of LaBridget Lewis as the DEIC Chair and Dr. Clark Ealy in the development of the goals and objectives.

RECOMMENDATION

It is recommended the CSISD Board of Trustees approve the goals and objectives for the 2007-2008 District Improvement Plan.
