INTER-DEPARTMENTAL MEMO

TO: Mike Ball
FROM: Mark Pantel 
DATE: January 8, 2007
SUBJECT: Destiny Library Software

In June 2005, Destiny Resource Management software was purchased from Follett Software Company and installed at the libraries at A&M Consolidated High School, Forest Ridge Elementary and Pebble Creek Elementary for the 2005-2006 school year.

The Curriculum Department has recently solicited a quote from Follett for the Destiny software, installation and training for the remaining libraries at A&M Consolidated Middle School, College Station Middle School, Oakwood Intermediate, Cypress Grove Intermediate, College Hills Elementary, South Knoll Elementary, Rock Prairie Elementary, Southwood Valley Elementary and the Alternative Learning Center. This purchase will provide the newer version of Destiny software for the entire district.

Attached is the quote for \$37,396.05, a memo of recommendation from Donna Adams, Director of Curriculum, Chris Speier, Coordinator of Technology and Keith Slaughter, Network Manager and an updated sole source justification for this purchase.
