TO: Mike Ball  
DATE: March 8, 2007  
SUBJECT: Pebble Creek Park and Elementary Drainage Improvements

Request for Competitive Sealed Proposals for the Pebble Creek Park and Elementary Drainage Improvements were advertised February 2, 2007 and February 9, 2007 and posted on the CSISD website. A pre-proposal meeting was held on February 9, 2007. Four contractors responded to the proposal, which opened March 6, 2007. The responsive proposers were:

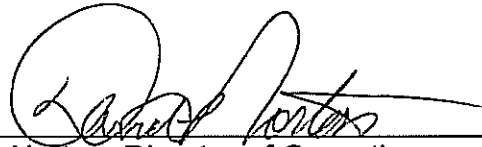

<u>Proposer</u>	<u>Proposal Price</u>
Kieschnick General Construction	\$108,287.50
Acklam Construction	\$103,995.75
Dudley Construction	\$99,783.16

A committee reviewed and ranked the proposals based on the criteria in the proposal. A summary of the proposal evaluation and matrix is attached. Dudley Construction offered the lowest priced proposal and received the highest score based on the criteria in the Request for Sealed Proposals.

It is the recommendation of Mark Pantel, Director of Purchasing and David Norton, Director of Operations to award this project to Dudley Construction for \$99,783.16. This is a joint project being funded equally by CSISD and the City of College Station though a previously approved inter-local agreement. The work will be completed during the summer.

Mark Pantel, Director of Purchasing

David Norton, Director of Operations

Royce Thomas, Coordinator of Maintenance
