Subject: Technology and Audio Visual Products through previously approved Interlocal Agreement with Texas A&M

Agenda Item: K-6

Board Priority/
District Goal: Priority 3, Goal 4

BACKGROUND

The Technology and Purchasing Department personnel have an ongoing process of evaluating procurement sources that will provide the best value to the District.

College Station ISD has an interlocal agreement with Texas A&M University for purchasing and other items.

This agreement allows College Station ISD to participate in contracts that the University has negotiated with various vendors. This opportunity provides College Station ISD with another source of quotes for technology and audio-visual equipment.

RECOMMENDATION

It is recommended that the Board of Trustees of College Station Independent School District consider approving the interlocal agreement with Texas A&M University as an approved source for technology and audio-visual equipment.
