BACKGROUND

The Region VI Education Service Center provides services to all districts within Region VI. For some services, school districts must pay a fee in order to participate. College Station ISD would like to contract with Region VI in the following areas:

- Title I Services (\$7,000 paid from CSISD Title I entitlement)
- Bilingual/ESL Services (\$5,000 from local funds)
- Safe and Drug Free School and Communities Services (Title IV Entitlement)
- Certification Co-op Services (\$750 paid from local funds)
- Driver Education Services (\$320 per student; paid by students)
- Purchasing Cooperative (\$100 paid from local funds)
- Interactive Video Program TETN Services (\$9,500 paid from local funds)
- United Streaming Video Services (\$7,200 paid from local funds)

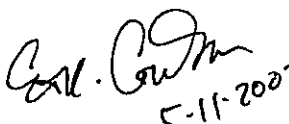

By allowing CSISD to contract with Region VI, CSISD personnel will be able to consult with experts from Region VI and take advantage of services that are offered. Participation with Region VI helps to provide CSISD administrators and teachers the necessary information so that our resources and services can be maximized.

RECOMMENDATION

It is recommended the CSISD Board of Trustees approve the shared services agreements and contracted service agreements with Region VI ESC as presented.
