

# College Station Independent School District

Success....each life....each day....each hour

## MEMORANDUM

To: Dr. Eddie Coulson, Superintendent 

From: Mike Ball, Deputy Superintendent for Business and Operations

Date: November 16, 2006

Subject: Interlocal Agreement with the City of College Station for the Purpose  
Of a Joint Project for Drainage Improvements in the Area Between Pebble  
Creek Elementary School and Pebble Creek Park

Agenda Item: K-3

Board Priority/  
District Goal: Priority 3, Goal 4

---

## BACKGROUND

The area between Pebble Creek Elementary School and Pebble Creek Park has experienced some chronic drainage problems during recent years. The problem affects both the property owned by College Station ISD and the property owned by the City of College Station.

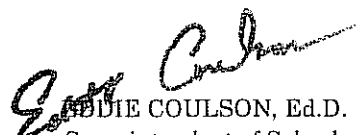

The proposed Interlocal Agreement would authorize the two entities to work together on a drainage improvement project to address this problem. Both entities would share equally in the costs of the project. The City has provided the design specifications. CSISD would administer the project by handling the bidding and contract administration during the course of the work. The total cost of the project is not expected to exceed \$100,000. Thus each entity is committing up to \$50,000 in the proposed Interlocal Agreement.

## RECOMMENDATION

It is recommended that the Board of Trustees of College Station Independent School District consider approval of The Interlocal Agreement Between The City of College Station and College Station Independent School District For The Construction of Drainage Improvements To Pebble Creek Park.

MICHAEL BALL, CPA  
Deputy Superintendent for  
Business and Operations
