

Local Property Taxes**Truth-in-Taxation Seminar Schedule 2007**

During July and August, Texas Comptroller Susan Combs' Property Tax Division (PTD) will conduct 14 regional seminars to explain the laws that local government taxing units must follow when adopting 2007 property tax rates.

The PTD staff will detail how to calculate the effective and rollback tax rates, what to publish and when to hold a tax-rate-rollback election. The staff will also discuss any legal changes required in adopting the tax rates for 2007.

Truth-in-Taxation Seminars for 2007 will consist of two separate presentations. The morning session, 9 a.m. to noon, will deal with setting tax rates for taxing units - other than school districts. The afternoon session, 1:30 - 3:30 p.m., will focus exclusively on setting tax rates for school districts.

The regional seminars are free of charge and no pre-registration is required.

For any questions about the seminars or locations, call the PTD's Technical Assistance hotline at (800) 252-9121, ext. 2. In Austin, call (512) 305-9999.

Date/City	Address	Contact Number
