

# College Station Independent School District

Success....each life....each day....each hour

## MEMORANDUM

To: Dr. Eddie Coulson, Superintendent 

From: Mike Ball, Deputy Superintendent for Business and Operations

Date: July 19, 2007

Subject: Competitive Sealed Proposal Responses - Property and Casualty Insurance

Agenda Item: K-5 a.

Board Priority/  
District Goal: Priority 3/Goal 5

---

## BACKGROUND

Requests for Competitive Sealed Proposals for the District's property and casualty insurance coverage were distributed to the public earlier during the summer. Proposals were received from three respondents. Two respondents submitted proposals for participation in shared risk pools.

The attached summary indicates that ANCO Insurance is the only respondent that met the specifications in the Request for Proposals. Other respondents either did not provide proposals on all lines of coverage or provided only proposals for shared risk pools where there is risk that the losses of other entities could impact the final cost of participation for College Station ISD.

## RECOMMENDATION

It is recommended that the Board of Trustees of College Station Independent School District consider approval of ANCO Insurance Company as the District's Agent for Property and Casualty Insurance for the 2007-2008 fiscal year and that the Superintendent or his designee be authorized to negotiate with ANCO Insurance Company to obtain the combination of quoted coverages that will provide the best value to the District.
