

College Station Independent School District

Success...each life...each day...each hour

MEMORANDUM

To: Dr. Eddie Coulson, Superintendent
From: Glynn Walker, Deputy Superintendent
Date: May 10, 2012
Subject: Resolution authorizing payment to employees for work time missed due to campus closure related to electrical outage
Agenda Item: K-1
Board Priority/
District Goal: Priority 3, Goal 4

Background

A&M Consolidated High School was closed April 4, 2012 due to a campus wide electrical outage. Because of this closure, some campus employees missed one day of work time. In fact, those employees were told to go home or stay home the rest of the day. There appears to be a public purpose in showing support to employees, enhancing employee morale and supporting the retention of employees by authorizing the payment of compensation that would have been earned on that day if the employees had been able to report for work.

Recommendation

It is recommended that the Board of Trustees of the College Station Independent School District approve the Resolution authorizing payment to employees for work time missed due to the campus closure on April 4, 2012.
