Board Priority/

---

## BACKGROUND

At a recent School Board Workshop, Texas Association of School Boards (TASB) Policy Update 100 was presented for discussion. This update provides the legal and local policy updates recommended by TASB.

Among the topics addressed at Update 100 are performance reporting, district- and campus-improvement plans, security personnel, instructional materials allotments, records management, employee health insurance, district employment practices, staff development, credit-by-examination, revocation of student transfers, and public information.

As with each update we receive, the legal policy updates are governed by current law or court rulings, so the district is bound to include them in its policy. The local policy updates are designed to provide clarification to the legal policies and to provide the Board appropriate discretion as decisions are made regarding the school district.

## RECOMMENDATION

It is recommended the CSISD Board of Trustees approve TASB Policy Update 100 as presented.
