Success...each life...each day...each hour

MEMORANDUM

To: Dr. Clark Ealy, Superintendent

From: Mike Martindale, Deputy Superintendent

Date: August 14, 2019

Subject: Replacement of Campus Servers

Agenda Item: J – 4.

Background

The technology department has identified the need to replace twelve servers throughout the district due to age.

These servers are available per the Department of Information Resources (DIR) contract with Hewlett Packard. The DIR is an agency of the State of Texas that has established contracts with vendors for technology related products and services. DIR contracts have been competitively bid and meet the competitive bid requirements.

It is the recommendation of Carmella Shafer, Director of Purchasing, and David Hutchison, Director of Technology, that we purchase the HP DL 360 Generation 10 Servers in the amount of \$124,944.00 from Avinext per DIR Contract DIR-TSO-4160 using 2015 Bond funds.

Recommendation

It is recommended that the College Station Independent School District Board of Trustees approve the purchase of the HP DL 360 Generation 10 Servers in the amount of \$124,944.00 from Avinext per DIR Contract DIR-TSO-4160 using 2015 Bond funds.
