INTER-DEPARTMENTAL MEMO

TO: Mike Ball
DATE: August 9, 2007
SUBJECT: Curriculum Mapping Software

The Curriculum Department and other CSISD staff have completed an evaluation of available software for Curriculum Mapping and are recommending the purchase of Tech Paths Curriculum Mapping Software. Performance Pathways is the sole source supplier of Tech Paths software. A memo from Donna Adams, Director of Curriculum and Instruction which outlines the review process and recommendation, the quote and sole letter from Performance Pathways is attached.

It is the recommendation of Mark Pantel, Director of Purchasing and Donna Adams, Director of Curriculum and Instruction to purchase the annual subscription, implementation and training for this software from Performance Pathways in the amount of \$34,077.00. Software services for subsequent years will be based on \$3.00 per student.

Mark Pantel, Director of Purchasing
