Subject: Consider Competitive Sealed Proposals for Ceiling Mounted Data Projection Systems

Agenda Item: K-4 b.

BACKGROUND

The 2007 Bond Package includes a cost allocation for Technology upgrades. A part of that project includes providing ceiling mounted data projection systems in classrooms.

A Request for Competitive Sealed Proposals to provide Ceiling Mounted Data Projection Systems has been circularized to the public as required by statute.

Personnel from the Technology Department and the Purchasing Department have evaluated the responses. No responses were received that met the specifications outlined in the Request for Competitive Sealed Proposals.

RECOMMENDATION

It is recommended that the Board of Trustees of College Station Independent School District consider rejecting all proposals to provide Ceiling Mounted Data Projection Systems.
