Dear Ms. McLeod:

Thank you for the opportunity to be considered for the use of school facilities. Below is the information you requested.

Our church, Community Church, is a faith fellowship comprised of a diverse group of people (college students, internationals, young adults, etc.) that seek to contribute to be a positive part of the College Station/Bryan community. We provide an opportunity for people to journey together in their spiritual relationship with God through Jesus Christ and encourage them to live out their faith in the world in a way that makes a difference. We value relationships, authenticity, and commitment over numbers, programs, and buildings and are committed to reaching people who might not be reached in more traditional church environments.

What denomination are you affiliated with?

We are loosely affiliated with the Baptist General Convention of Texas through some of our missions giving, but we consider ourselves to be more inter/nondenominational.

How long has your church been organized in our community?

We have been in existence for nine years.

What is the size of your congregation and its growth rate?

We average approximately 150 adults and 50 kids in our worship gatherings. We are intentionally growing slowly and prefer to start other churches rather than get bigger.

What building plans does your church currently have under consideration?

We are actively looking but also waiting on the possibility of sharing a building with a local conference/retreat center that one of members is building in the next few years.

What time line is the church on for locating permanent facilities?

We had a long-term lease on a vacant church building, but it was recently sold. Therefore, we are currently in a transition phase and can only guess that we could be in the building mentioned above in about 3 years.

What school are you interested in using?

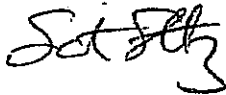

Forest Ridge Elementary. One of our deacons, Nick Reeves, is a part of the faculty there. We met for a few years at Oakwood and are familiar with how things work, but we hope that, with Nick's help, we can be even better tenants at Forest Ridge.

How many rooms and what hours will you need?

We will need the cafeteria for our worship service and five rooms for our kids. We would need those rooms from 4:00 p.m. until 9:00 p.m.

Thank you for your consideration. You can contact me at 575-4438.

Sincerely,
