Dear Sir or Madam:

Community Bible Church is a non-denominational church that began in 1990 in San Antonio, Texas. With a vision for growth throughout the state of Texas and beyond, our San Antonio campus currently serves over 10,000 active members weekly in worship, plus additional ministry activities. Our plans include opening a College Station campus in early 2008. A core leadership team has been forming over recent months and includes approximately 30 individuals at this time. We are requesting consideration for use of Cypress Grove Intermediate School beginning in February 2008. Going forward, we hope to use the school for a period of up to one year while we locate a permanent location, which could include purchasing land and building or locating an existing facility. We are currently working with a realtor in the area to this end.

At Cypress Grove, we would like to have access to the main entry and hallway, gymnasium and cafeteria. We would like to begin set up in the building facility each Sunday by 8:30 a.m. and will conclude following worship and take down by 1 p.m.

In closing, Community Bible Church intends to be fully involved in the College Station community. Evidence of this involvement can be seen in our recent donation and sponsorship to the annual Cypress Grove Hoopla fundraising event. We look forward to working closely with CSISD in the coming year.

Thank you for your consideration of Community Bible Church for the use of your facilities.

Sincerely,
