From: Mike Ball, Deputy Superintendent for Business and Operations

Date: October 12, 2007

Subject: Approval of Lease of Portable Buildings through the Houston-Galveston Area Cooperative (HGAC) to be used to support the Athletic Complex Renovations

Agenda Item: K-5

Board Priority/
District Goal: Priority 3, Goal 4

BACKGROUND

The Athletic Complex Renovations that are part of the 2007 Bond Program include the complete renovation of the fieldhouse at Tiger Field. The project also includes the demolition and rebuilding of the fieldhouse adjacent to the softball field. In support of that project, a need exists to provide restroom facilities, offices and storage areas for use by College Station ISD employees and students during the construction process. Due to the amount of time required to obtain portable buildings and perform the necessary installations, the process of procuring the buildings is presently being initiated.

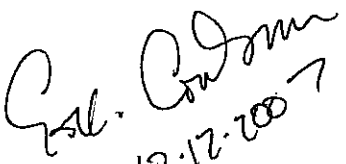

The total cost to lease the buildings for the duration of the construction \$108,620.22.

RECOMMENDATION

It is recommended that the Board of Trustees of College Station Independent School District consider approval of the lease of portable buildings from Mobile Modular \$108,620.22.
