TO: Mike Ball
SUBJECT: Portable Buildings for Athletic Renovations
DATE: October 8, 2007

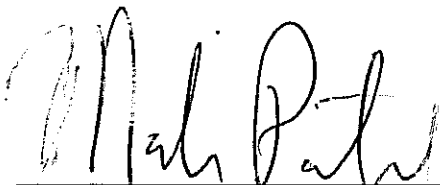

As part of the athletic renovations of the 2007 bond program, seven (7) portable buildings will be required for temporary coach's offices, storage of athletic equipment and restroom facilities. Mobile Modular Rents was contacted for a quote to lease these buildings and build the necessary decks and ramps.

Mobile Modular is a vendor of the Houston-Galveston Area Purchasing Cooperative (HGAC) of which College Station ISD is a member. All items have been competitively bid and awarded based on state statutes.

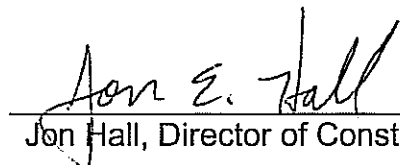

The quote from Mobile Modular to lease the seven portable buildings for nine (9) months is \$40,011.30 total. Delivery, installation, return delivery, dismantle fees, metal skirting, deck and ramps will cost and additional \$108,620.22. The quote from Mobile Modular is attached.

It is the recommendation of Mark Pantel, Director of Purchasing and Jon Hall, Director of Construction to lease these buildings from Mobile Modular beginning December 1, 2007 through August 31, 2008 for a total of \$148,631.52.

This amount does not include any electrical, fire or public address accessories that may be required for these buildings. The labor and materials required to complete any electrical, fire or public address accessories will be performed by an outside contractor.
