SUBJECT: Music Furniture and Equipment for College Station High School

As part of the 2009 bond program, the Principal for College Station High School, Director of Purchasing, Director of Construction and the Directors of Band, Orchestra and Choir at A&M Consolidated High School have worked to identify the music furniture and equipment needed at College Station High School.

Wenger is the manufacturer of music furniture and equipment used throughout the district. The attached proposal from Wenger represents specialized furniture and equipment requirements for the Band, Orchestra and Choir programs at College Station High School. The pricing proposed by Wenger is per the Texas Cooperative Purchasing Network (TCPN). As a member of TCPN, College Station I.S.D. is eligible to purchase from TCPN contracted vendors and receive significant discounts off manufacturer's list prices. These discounts are available based on the anticipated purchasing volume of participating members of the cooperative.

It is the recommendation of Mark Pantel, Director of Purchasing and Mike Martindale, Principal College Station High School to purchase this music furniture and equipment from Wenger Corporation delivered, assembled and installed at College Station High School for \$147,495.00.
