Subject: Board Agenda Item H: 1

Background

CSISD teaches students to be critical thinkers, problem solvers, and to possess the knowledge and skills necessary to be productive citizens in our community and in the world.

As an ongoing agenda item beginning February 21, 2012, CSISD will have teachers, coaches, directors and others highlight at the regularly scheduled monthly board meetings some of the 'best' instructional practices being used in CSISD. Our hope is to highlight many different subjects, grade levels and schools in order to provide a glimpse into the meaningful, interesting and engaging work that teachers and coaches are designing for students.

Jody Rodriguez, Forest Ridge Elementary First Grade Teacher, will provide our first 'best practice' report to the board.

Recommendation

It is recommended that the CSISD Board receive a report from Jody Rodriguez, CSISD teacher.
