

College Station Independent School District

Success...each life...each day... each hour

MEMORANDUM

To: Dr. Eddie Coulson, Superintendent

From: Greg McIntyre, Deputy Superintendent for Curriculum and Instruction 

Date: February 15, 2012

Subject: Consider Approval of the District Improvement Plan Goals and Objectives for the 2012-13 School Year

Agenda Item: H-2

Board Priority/
District Goal: Priorities A, B and C; Goals 1, 2, 3, 4 and 5

BACKGROUND

The CSISD District Educational Improvement Council (DEIC) has the responsibility of recommending to the School Board the District Improvement Plan each year. The DEIC recently met to review data and feedback related to goals and objectives for the district plan.

The goals and objectives, which received a unanimous vote of approval by DEIC, are very similar as in years past (see attachment; changes are in purple text). This consistency serves as a testament to the district mission of success: to ensure the each student is academically successful and that the unique academic, social, and emotional needs of each student are met in a safe learning environment. Supporting this consistent focus are objectives which center upon reducing the achievement gap, encouraging advanced academic performance, and providing opportunities for CSISD employees to participate in the dialogue on behalf of high expectations for students and strong, encouraging school culture.

I appreciate the leadership of Ingrid Villar-Woods as the DEIC Chair and Dr. Clark Ealy in the development of the goals and objectives.

RECOMMENDATION

It is recommended the CSISD Board of Trustees approve the goals and objectives for the 2012-2013 District Improvement Plan.
