

College Station Independent School District

Success...each life...each day...each hour

MEMORANDUM

To: Dr. Eddie Coulson, Superintendent
From: Glynn Walker, Deputy Superintendent
Date: February 15, 2012
Subject: Consider approval of purchase of network hardware, labor and UPS hardware for College Station High School
Agenda Item: J-4
Board Priority/
District Goal: Priority 3, Goal 4

Background

The district is part of the Texas A&M University Master Purchasing Agreement #M100299IT. This allows us to utilize this agreement for discount off list pricing based on the quantity of each purchase, and complies with Government Code, Section 791.025. The CSISD Technology and Purchasing directors have cooperatively searched for the best options for this purchase. Standardization of this network platform is in the best interest of the district. The purchase of HP network hardware, labor and UPS hardware is allocated by the expenditure of 2009 bond funds as approved by the School Board in the Guaranteed Maximum Price for College Station High School.

Recommendation

It is recommended that the Board of Trustees of the College Station Independent School District approve the purchase of Network Hardware, Labor and UPS Hardware, from MicroAge, in the amount of \$410,757.00, for College Station High School.
