MEMORANDUM

To: Dr. Eddie Coulson, Superintendent

From: Greg McIntyre, Deputy Superintendent for Curriculum and Instruction 

Date: January 11, 2012

Subject: Policies EIAB (Local), BQA (Local), and BQB (Local)

Agenda Item: H-2

Board Priority/
District Goal: Priorities A, B and C: Goals 1, 2, 3 and 4

BACKGROUND

Policy EIAB (Local)

- The district TASB policy consultant recommends this policy be deleted. Deleting policy EIAB (Local) will provide greater consistency with CSISD Grading Guidelines. For instance, the Grading Guidelines currently allow students to make-up missed classroom assignments [within a specified timeline] following an excused or unexcused absence; however, local policy EIAB contradicts this guideline by specifying that students must receive zeros for unexcused absences.

Policies BQA and BQB

- Policies BQA (Local) and BQB (Local) pertain to campus and district-level committees such as the District Educational Improvement Council (DEIC). The current local policy was adopted back in 2001 and the district has grown since then. The revised language provides flexibility as we add campuses across the district. For instance, the revised policy BQA adds the phrase "at least" to the following statement: The council shall include *at least* two community members selected by a process that provides for adequate representation of the community's diversity, in accordance with administrative procedures.

Since the December Board Workshop regarding the policies above, no questions have been raised.

RECOMMENDATION

It is recommended the CSISD Board of Trustees approve the deletion of policy EIAB (Local) and the replacement of policies BQA (Local) and BQB (Local) as presented.
