MEMORANDUM

To: Dr. Eddie Coulson, Superintendent

From: Glynn Walker, Deputy Superintendent

Date: July 13, 2011

Subject: Consider Approval of Renewal of Insurances

Agenda Item: J-5

Board Priority/
District Goal: Priority 3/Goal 5

BACKGROUND

Requests for Competitive Sealed Proposals for the District's student athletic and extra-curricular insurance coverage were advertised and bid according to state law and local policy. The Greater East Texas Insurance Associates proposal best meets the needs of our district. This policy includes a renewal option up to three additional years ending fiscal year 2013-2014 at a premium increase not to exceed more than 10% per year.

The policy with Greater East Texas Insurance Associates includes a provision for full assignment through a Preferred Provider Organization. The full assignment through a PPO group provides students and their parents the opportunity to receive treatment from various local health care providers that have contracted to accept the coverage. The contracted health care providers will not bill the students for more than the benefits provided in the policy.

The premium proposed by Greater East Texas Insurance Associates for 2011-2012 is \$51,159.

RECOMMENDATION

It is recommended that the Board of Trustees of College Station Independent School District consider approval to renew its policy with Greater East Texas Insurance Associates for Student Athletic and Extra-curricular Insurance for the 2011-2012 fiscal year, with the total cost of \$51,159 for the 2011-2012 fiscal year.
