Re: Brazos County Appraisal District Board of Directors

Background

The CSISD Board is responsible for appointing two individuals to serve on the Brazos County Appraisal District (BCAD) Board of Directors. For the past many years, John Flynn and Steve Arden have served as the districts representatives on the BCAD Board, and they have represented the interests of CSISD very well.

Both Mr. Flynn and Mr. Arden have expressed a willingness to continue to serve; however, both have also indicated the need for the district to bring someone new to the board. To that end, it makes sense to recommend either Mr. Flynn or Mr. Arden for continued service on the board and to name someone new. By taking this approach, CSISD will be able to maintain some continuity on the board while also bringing a new district representative to serve.

Mr. Tim Jones of First Victoria Bank and a long-time resident in College Station has expressed an interest in serving on the BCAD Board. Mr. Jones has a significant track record of community service over the years, and he has a deep understanding of the College Station-Bryan real-estate market. Mr. Jones has served as a former member of the CSISD Board of Trustees and a current member of the CSISD Education Foundation Board.

Recommendation

It is recommended that the CSISD Board of Trustees name John Flynn and Tim Jones to the Brazos County Appraisal District Board for the term of January 1, 2012 –December 31, 2013.
