INTER-DEPARTMENTAL MEMO

TO: Glynn Walker
DATE: November 3, 2011
SUBJECT: Annual Sungard Public Sector Software Support Renewal

Sungard Public Sector, Inc. is an application software and information processing services company whose main focus is to provide administrative software solutions to school and local governments. College Station ISD has used the Sungard/Pentamation software suite of applications for its student and financial accounting system since June 1995.

The support services for this software are only available from Sungard Public Sector, Inc. It is the recommendation of Mark Pantel, Director of Purchasing and Jackie Janacek, Director of Computer Services to renew the maintenance and support contracts for the financial and student software programs with Sungard Public Sector, Inc. for the 2011-2012 school year in the amount of \$94,072.66.

Mark Pantel, Director of Purchasing

Jacqueline Janacek, Director of
Computer Services
