WILD ABOUT LEARNING!

Campus Improvement Plan
2011-2012

Needs Assessment Summary Documentation for CIP 2010-2011

Oakwood was a “recognized” campus in 2008; however, the campus received an “acceptable” rating in 2009. There were three areas of concern: African American math scores (71% passing), African American science scores (64% passing), and Economically Disadvantaged science scores (66% passing). These scores improved and, after the TPM was applied, resulted in a “recognized” rating in 2010. A variety of intervention plans are still being implemented as the staff works toward a common goal of being a recognized campus without the application of the TPM. The principal and assistant principal will be a part of department meetings at least bi-weekly to facilitate the focus and implementation of curriculum, benchmarks, and instructional strategies.

Oakwood offers a Dual Language program for fifth and sixth graders. With the addition of this program two years ago, all content area teachers need to be ESL certified to be able to support all LEP students. As the 2010 year begins, all CORE teachers are ESL certified.

Discipline data from the 2006-2008 school years showed an increase in discipline referrals for bullying and aggressive behaviors. In 2009-2010 Oakwood implemented a school-wide anti-bullying education program to be taught during Advisory classes. The program, called Bully Blockers, is a program endorsed by Safe and Civil Schools. There has been an initial increase of bullying referrals, but anecdotal information attributes this to the fact that we now have a common definition and common expectation regarding bullying.

We will continue to focus on science and math vocabulary during the 2010-2011 school year; however, our intentional focus will now be on ELA as it applies to differentiation of instruction and engaging instructional strategies.

Through our Adaptive Behavior Unit, we will continue to work on meeting the needs of our behaviorally challenged students through the Behavior RTI process.

We have established a Foundations Committee (through Safe & Civil Schools) that met 4 times in April, May, and June to address school wide, systemic safety issues and propose solutions. The committee will also provide staff development information and suggestions for the 2010-2011 school year.

Our math and reading specialists will continue to work on strategies to help individual students and to help teachers with the students in their classrooms. Our new math specialist is bi-lingual and will concentrate on improving the Hispanic math scores, primarily through working with the Dual Language team math teacher.

THE MISSION OF OAKWOOD INTERMEDIATE SCHOOL

Oakwood Intermediate School facilitates the transition from childhood to early adolescence in a positive, nurturing and safe environment.

The staff, students, parents and community unite to encourage and assist all students in developing a responsibility of becoming enthusiastic life-long learners.
