

# College Station Independent School District

Success...each life...each day... each hour

## MEMORANDUM

To: Dr. Eddie Coulson, Superintendent

From: Greg McIntyre, Deputy Superintendent for Curriculum and Instruction

Date: March 6, 2013

Subject: Consider Approval of the District Improvement Plan Goals and Objectives for the 2013-14 School Year

Agenda Item: H-1

Board Priority/  
District Goal: Priorities A, B and C; Goals 1, 2, 3, 4 and 5

## BACKGROUND

The CSISD District Educational Improvement Council (DEIC) has the responsibility of recommending to the School Board the District Improvement Plan each year. The DEIC recently met to review data and information related to goals and objectives for the district plan.

The goals and objectives, which were approved by DEIC, are virtually the same as in years past (see attachment; one word was added in turquoise text). This consistency serves as a testament to the district mission of success: to ensure the each student is academically successful and that the unique academic, social, and emotional needs of each student are met in a safe learning environment. Supporting this consistent focus are objectives which center upon encouraging advanced academic performance, reducing the achievement gap, and providing opportunities for CSISD employees and parents to participate in the dialogue on behalf of high expectations for students and strong, encouraging school culture.

I appreciate the leadership of Brian Guyton as the DEIC Chair and Dr. Clark Ealy in the development of the goals and objectives.

## RECOMMENDATION

It is recommended the CSISD Board of Trustees approve the goals and objectives for the 2013-14 District Improvement Plan.
