MEMORANDUM

To: Dr. Eddie Coulson, Superintendent

From: Greg McIntyre, Deputy Superintendent for Curriculum and Instruction 

Date: November 12, 2012

Subject: Required Board Approvals for Birth to Five Program Plans, 2012

Agenda Item: I-1

Board Priority/
District Goal: Priority 2/Goals 1-5

BACKGROUND

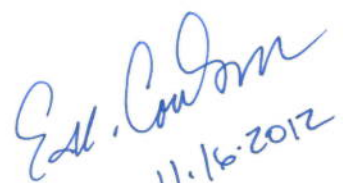

Head Start Program Performance Standards require the participation of the CSISD Board of Trustees as the governing body of the program to approve program plans. These policies have been developed from both federal regulations and also follow the guidelines from the Texas Education Agency for pre-kindergarten services. The processes are well researched and efficient in meeting the needs of the program, in accomplishing the steps involved in serving families and children and in supporting the efficient and effective implementation of the Head Start Program Performance Standards. The input and collaboration of staff and parents is illustrated by the earlier approval of these program plans by the 2012-2013 Birth to Five Head Start Policy Council. The summary power points of the plans for each component area are attached.

RECOMMENDATION

It is recommended that the CSISD Board of Trustees approve the College Station Independent School District Birth-to-Five Head Start Program component plans. A signature page will be provided at the meeting for the approval of these processes.
