INTER-DEPARTMENTAL MEMO

TO: Glynn Walker
DATE: February 11, 2014
SUBJECT: SunGard e-Finance Public Sector Software Upgrade

College Station ISD has utilized SunGard/Pentamation's software suite of applications for financial accounting system since June 1995. The current software is operating on an older revision as well as being Unix based version. The attached contract addendum provides for the software upgrade from version 4.3 to 5.0, as well as transitioning from a Unix based version to a Microsoft Windows Server based system.

It is the recommendation of Mark Pantel, Director of Purchasing and David Hutchison, Director of Technology that we purchase the software upgrade from SunGard Public Sector, Inc.. Total purchase price for software and 1 year maintenance and support is \$75,114.00. Contract addendum and quote attached.
