Success...each life...each day... each hour

MEMORANDUM

To: Dr. Eddie Coulson, Superintendent

From: Greg McIntyre, Deputy Superintendent for Curriculum and Instruction 

Date: June 11, 2014

Subject: Region VI Shared Service Agreement for 6Tech Integration Service (2014-2015)

Agenda Item: H-1

Board Priority/
District Goal: Priority A and B: Goals 1, 2, 3, and 4

BACKGROUND

The Region VI Education Service Center provides services to all districts within Region VI. For some services, school districts must pay a fee in order to participate. College Station ISD would like to contract with Region VI for the 6Tech Integration Service. This service offers effective technology integration solutions such as:

- Unlimited face-to-face trainings at the Region 6 ESC Professional Development Center by School - Transformation and Digital Learning department specialists <http://technology.esc6.net>
- Annual Technology and Digital Learning Conference <http://techconference.esc6.net>
- Technology After-School Special Webinar Series <http://technology.esc6.net/our-services/>
- Google Apps for Education Technical Support, and
- Eduhero on-demand trainings (Eduhero.net).

By allowing CSISD to contract with Region VI, CSISD personnel will be able to consult with experts from take advantage of services that are offered. Participation with Region VI helps to provide CSISD administrators and teachers the necessary information so that our resources and services can be maximized.

RECOMMENDATION

It is recommended the CSISD Board of Trustees approve the 6Tech Integration shared services agreement with Region VI ESC as presented.
