

College Station Independent School District

Success...each life...each day...each hour

MEMORANDUM

To: Dr. Clark Ealy, Superintendent

From: Glynn Walker, Deputy Superintendent

Date: August 14, 2014

Subject: Resolution Amending Authorized Representatives for the Texas Local Government Investment Pool (TexPool)

Agenda Item: J-10

Board Priority/
District Goal: Priority 3, Goal 4

BACKGROUND

As required by the Public Funds Investment Act and CSISD Board Policy, public school districts are required to have school board approval before changing any district representatives on investment accounts. District level administrators and business office officials are assigned specific duties requiring information related to this investment pool account. CSISD Business Office procedures establish a sound practice of separation of duties, including multiple checks and balances for management of investments. The two CSISD Certified Investment Officers, Glynn Walker, Deputy Superintendent, and Carmella Shafer, Accounting Coordinator, maintain primary responsibility for security of the district investments and compliance with the Public Funds Investment Act.

RECOMMENDATION

It is recommended that the Board of Trustees of College Station Independent School District consider approval of the Resolution Amending Authorized Representatives for the College Station ISD Texas Local Government Investment Pool (TexPool) account.
