

MEMORANDUM

TO: Glynn Walker
FROM: Sharon Jackson
RE: Donated Train at Barbara Bush Parent Center
DATE: June 23, 2014

A College Station family, Duane and Sandra Bell, recently won one of the train statues that has been displayed at the George Bush Library. They would like to donate it to the Barbara Bush Parent Center for display on the property. The train would need to be picked up from the family's home and installed in an appropriate location on the parent center grounds. Otherwise, I do not believe other care or labor would be necessary.

I am happy to be the contact person to arrange for the transfer of the autographed George and Barbara Bush train statue from the home of Mr. and Mrs. Bell to the Barbara Bush Parent Center. We would like to see it installed as a part of the Early Head Start Infant-Toddler Play Space in front of the parent center building.

Recommendation: I recommend that College Station ISD accept the donation and take ownership of the autographed George and Barbara Bush train statue offered by the Bell family to be transported and installed in the Early Head Start Infant-Toddler Play Space in front of the parent center building.
