LIMITED PRODUCT WARRANTY The Americas and Caribbean

Terex South Dakota, Inc., Terex USA, LLC, Terex Global GmbH, Terex Operations Italy, and Terex (Changzhou) Machinery Co. Ltd. ("Seller"), as to the equipment manufactured by each respective company, warrants the new equipment it manufactures or sells worldwide to be free, under normal use and service, of any defects in manufacture or materials for the following time periods, commencing on the date on which such equipment is invoiced to the original buyer ("Buyer") or, if Buyer is a distributor and resells such equipment to a third party, no later than six months after the original invoice date:

WITH RESPECT TO STRUCTURAL ELEMENTS: Self-Propelled Booms, Scissors, Telehandlers, and Runabouts: 5 years; Towed and All Other Products: 1 year;

WITH RESPECT TO ELECTRICAL COMPONENTRY: Self-Propelled Booms, Scissors, Telehandlers, and Runabouts: 1 year; Towed and All Other Products: 1 year;

WITH RESPECT TO HYDRAULIC COMPONENTRY: Self-Propelled Booms, Scissors, Telehandlers, and Runabouts: 3 years; Towed and All Other Products: 1 year;

provided that (1) Seller receives written notice of the defect within thirty (30) days of its discovery and Buyer establishes that (i) the equipment has been maintained and operated within the limits of rated and normal usage; and (ii) the defect did not result in any manner from the intentional or negligent action or inaction by Buyer, its agents or employees, and (2) the product registration for the new equipment has been completed and received by Seller within thirty (30) days of the equipment's "in-service" date. If requested by Seller, Buyer must return the defective equipment to Seller's manufacturing facility, or other location designated by Seller, for inspection, and if Buyer cannot establish that conditions (1) (i) and (1) (ii) above have been met, then this warranty shall not cover the alleged defect.

Seller's obligation and liability under this warranty is expressly limited to, at Seller's sole option, repairing or replacing, with new or remanufactured parts or components, any part which appears to Seller upon inspection to have been defective in material or workmanship. Such parts shall be provided at no cost to the Buyer, FCA Seller's parts facility (Incoterms 2010). Freight charges are not covered. If requested by Seller, components or parts for which a warranty claim is made shall be returned to Seller at a location designated by Seller. All return freight charges are the responsibility of the Buyer. All components and parts replaced under this warranty become the property of Seller.

This warranty shall be null and void if parts (including wear parts) or attachments other than genuine OEM Seller parts and attachments are used in, or attached to, the equipment.

Accessories, assemblies and components included in Seller's equipment, which are not manufactured by Seller or one of Seller's affiliates, are subject to the warranty of their respective manufacturers. Normal maintenance, adjustments, or maintenance/wear parts are not covered by this warranty and are the sole maintenance responsibility of Buyer.

SELLER MAKES NO OTHER WARRANTY, EXPRESS OR IMPLIED, AND MAKES NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, AS TO THE EQUIPMENT AND PARTS IT SUPPLIES.

No employee or representative of Seller is authorized to modify this warranty unless such modification is made in writing and signed by an authorized officer of Seller. Seller's warranty is continuous for the stated periods, and "stopping and restarting" such periods is not permitted.

Seller's obligation under this warranty shall not include duty, taxes, environmental fees, including without limitation, disposal or handling of tires, batteries, petrochemical items, or any other charges whatsoever. Seller shall not be liable for indirect, incidental, or consequential damages, even if advised of the possibility of such damages.

Improper maintenance, improper use, abuse, improper storage, operation beyond rated capacity, operation after discovery of defective or worn parts, accident, sabotage, Acts of God, or alteration or repair of the equipment by persons not authorized by Seller shall render this warranty null and void. Seller reserves the right to inspect the installation of the equipment and review maintenance procedures to determine if the failure is covered under this warranty.

Telematics. If a telematics system is included with the equipment, the telematics system is administered by a third party ("Teleservice Provider") and collects a range of operational data about the equipment including, but not limited to, usage, performance and reliability. Buyer consents to Seller's obtaining such data from the Teleservice Provider for warranty, product improvement, marketing and customer support purposes. In addition to the foregoing, Buyer consents to Seller's collection, management and reporting of data (personal and non-personal) about the equipment including, but not limited to, fuel consumption, up/down times, operation, defects, parts replacement, movement and location. Buyer shall gain any prior explicit consent from its customers and/or any third party, as required by applicable laws, enabling Seller and/or third parties to provide teleservices and data to Buyer. Buyer shall comply with all applicable laws relating to the provision of teleservices including, without limitation, any applicable data protection laws. In the event Buyer transfers ownership of the equipment, Buyer agrees to follow the transfer of ownership registration requirements specified at the telematics website. Buyer's subscription to any telematics services ("Telematics Services") shall be for the period, the approved region and at the rate selected by Buyer when subscribing. In the event of early cancellation of a subscription,

Buyer agrees that Seller shall be entitled to retain as liquidated damages, and not as a penalty, any fees paid in advance, which the parties agree reasonably approximate Seller's actual damages. If Buyer moves the equipment outside the approved region, Seller may at its option charge Buyer additional fees or deactivate the Telematics Services. Buyer acknowledges that the Telematics Services are subject to limitations that are imposed by or affect the Teleservice Providers such as area coverage, network capacity, reception, interference with communication signals and other problems which may impede or prevent provision of Telematics Services. These may also include hills, tall buildings, tunnels, weather, systems design, damage to or destruction of telematics systems, accidents or congestion. Seller is not responsible for any of the foregoing conditions. Under no circumstances shall Seller be liable for the failure of a Teleservice Provider to perform. In addition, Seller shall not be liable for delays or failures in performance or service interruptions due to circumstances beyond its control. Buyer understands that Seller and its Teleservice Providers cannot guaranty the security of wireless transmissions, and will not be liable for any lack of or breach of security in such wireless transmissions while providing Telematics Services. **SELLER'S MAXIMUM LIABILITY RELATED TO THE TELEMATICS SERVICES UNDER ANY THEORY (INCLUDING TORT, BREACH OF CONTRACT OR PRODUCT LIABILITY) IS LIMITED TO THE AGGREGATE FEES TO BE PAID UNDER THE SUBSCRIPTION AGREEMENT FOR THE CALENDAR YEAR IN WHICH THE INCIDENT CAUSING DAMAGE OCCURS.**

NO TRANSFERABILITY OF WARRANTY: This warranty is limited to the original purchaser or original end-user if sold to a distributor, and is not assignable or otherwise transferable without the written agreement of Seller.

ITEMS NOT COVERED BY WARRANTY

The following listed items, which are not exhaustive, are **NOT** covered under this warranty:

1. Items sold by any individual, corporation, partnership or any other organization or legal entity that is not authorized by Seller to distribute its equipment.
2. Inbound freight, duty and taxes for replacement components or outbound freight, duty, and taxes for any part requested as a warranty return.
3. Components which are not manufactured by Seller or its affiliates. Such components may include, but are not limited to, engines, batteries, tires, customer-supplied products, transmissions, generators/gensets, and axles.
4. Replacement of a complete assembly that is field repairable by the replacement or repair of defective part(s) within the assembly. Seller has the option to repair or replace any defective part or assembly.
5. Wear parts and maintenance services including, but not limited to: lamps, lenses, o-rings, seals, gaskets, hoses, filters, breathers, belts, nozzles, friction plates, glass, clutch and brake linings, wire rope, nuts and fittings, exterior coatings, proper tightening of bolts, adding or replacing of fluids, adjustments of any kind, services, inspections, diagnostic time, travel time and supplies such as hand cleaners, towels and lubricants.
6. Damage caused by carrier handling. Any such claim for damage should be filed immediately with the respective carrier.
7. Repairs, work required or parts exposed as the result of age, storage, weathering, lack of use, demonstration use, or use for transportation of corrosive chemicals.
8. Damage resulting to the equipment or parts should the owner or operator continue to operate the equipment after it has been noted that a failure has occurred.
9. Damage caused by, or labor or other costs related to, work performed by personnel not authorized by Seller to service the equipment.
10. Travel, and related expenses, to a geographic area where Seller has no established service presence, or freight charges related to Buyer's shipment of equipment to an approved location for repair.

IN NO EVENT SHALL SELLER, OR ANY AFFILIATE, SUBSIDIARY OR DIVISION THEREOF BE LIABLE FOR (A) LOST PROFITS AND/OR BUSINESS INTERRUPTION (WHETHER DIRECT OR INDIRECT); AND (B) INDIRECT, INCIDENTAL, CONSEQUENTIAL (WHETHER DIRECT OR INDIRECT) OR OTHER SIMILAR DAMAGES OR LOSSES OF ANY KIND WHATSOEVER, RESULTING FROM ANY BREACH OF EXPRESS OR IMPLIED WARRANTY, BREACH OF ANY REPRESENTATION OR ANY TERMS OF THIS WARRANTY, OR BREACH OF ANY DUTY OR OBLIGATION IMPOSED BY STATUTE, CONTRACT, TORT, COMMON LAW OR OTHERWISE (WHETHER OR NOT CAUSED BY THE NEGLIGENCE OF THE SELLER, ITS EMPLOYEES, AGENTS OR OTHERWISE), INCLUDING, WITHOUT LIMITATION, LOSS OF USE OF ANY EQUIPMENT, LOST PROFITS OR REVENUES, LABOR OR EMPLOYMENT COSTS, DOWNTIME OR HIRE CHARGES, THIRD PARTY REPAIRS, IMPROPER PERFORMANCE OF WORK, LOSS OF SERVICE OF PERSONNEL, LOSS OF OPPORTUNITY, PENALTIES OF ANY KIND, PERSONAL INJURY, EMOTIONAL OR MENTAL DISTRESS, OR FAILURE OF EQUIPMENT TO COMPLY WITH ANY APPLICABLE LAWS OR REGULATIONS. The Seller's liability to the Buyer shall not in any event exceed the purchase price of the equipment.

THIS WARRANTY IS EXPRESSLY IN LIEU OF AND EXCLUDES ALL OTHER WARRANTIES, REPRESENTATIONS AND CONDITIONS, EXPRESS OR IMPLIED. ALL OTHER STATUTORY, CONTRACTUAL, TORTIOUS AND COMMON LAW OBLIGATIONS OR LIABILITY ON SELLER'S PART ARE HEREBY EXPRESSLY EXCLUDED TO THE MAXIMUM EXTENT PERMITTED BY LAW. THERE ARE NO WARRANTIES THAT EXTEND BEYOND THE LIMITED WARRANTY CONTAINED HEREIN. Seller neither assumes nor authorizes any other person to assume for Seller any other liability in connection with the sale of Seller's equipment. In the event that any provision of this warranty is held unenforceable for any reason, the remaining provisions shall remain in full force and effect.

In no case shall any warranty extend to defects in materials, components, or services furnished by third parties. Defects caused by chemical action or the presence of abrasive materials and defects arising following the operation beyond rated capacity or the improper use or application of any products shall not be considered defects within the scope of this warranty. If any repairs or alterations are made or any parts are replaced during the applicable warranty periods by anyone other than JLG or an entity authorized by JLG in accordance with authorized JLG service manuals or with parts, accessories, or attachments other than authorized by JLG for use in its products, customer shall pay for such repairs or parts without recourse against JLG, and JLG shall be relieved of responsibility for fulfillment of this warranty with respect to such repairs, alterations, or replacements so made. JLG's obligations under this warranty shall at all times be subject to its then current warranty policies and procedures. The above-mentioned warranty shall not apply to replacement or service parts made and sold to a customer by JLG. Routine maintenance, routine maintenance items (including paint and decals), and minor adjustments are excluded from this warranty. Certain components, including, but not limited to, engines, tires, and batteries, which may be a part of the product are not manufactured or warranted by JLG. Any applicable warranty for such components is provided through the original manufacturer of the component or its distributor organization.

JLG further warrants that each unit is designed, built, and equipped to meet United States Environmental Protection Agency ("EPA") and, where applicable, California Air Resources Board ("CARB") emissions requirements in effect on the date of manufacture. JLG further warrants that the unit is free from defects in material and workmanship that might prevent the unit from meeting applicable EPA and CARB requirements. Policy holders may obtain such emissions warranty service at no cost, including parts, labor, and diagnostic services, for their equipment from an authorized JLG Servicer or any authorized servicer of the Engine OEM. Please also note that this Emissions Control System Warranty is required by EPA, and in certain equipment applications, by CARB, and is a distinct and additional warranty from the general commercial warranty described herein that JLG and its engine suppliers provide to customers who purchase JLG equipment and associated engines. Please refer to the "JLG Emissions Warranty Guidelines," available for download at www.JLG.com, for additional details specific to your machine. End users may also perform their own repairs of emissions-related components, although the cost of labor and diagnostic services provided by other than an authorized JLG servicer or OEM are outside the scope of this warranty and will not be paid for by JLG free of charge. The proper performance of routine maintenance by the customer or a third-party service shall not invalidate this emissions warranty.

JLG NEW PRODUCT WARRANTY NORTH AMERICA

JLG Warranty Policy covers Parts, Labor, and Travel costs as outlined in JLG's then current warranty policies and procedures. JLG LiftPod Product is excluded from Travel coverage.

JLG Warranty Policy does not cover any duties, taxes, environmental fees, including without limitation, disposal or handling of tires, batteries, and petrochemical items.

Under no circumstances shall JLG be liable for any consequential or special damages which any person or entity may incur or claim to incur as a result of any defect in the product or in any correction or alteration thereof made or furnished by JLG or others. "Consequential" or "special damage" includes, but is not limited to costs of transportation, lost sales, lost orders, lost profits, lost income, increased overhead, labor and material costs, and cost of manufacturing variances and operational inefficiencies. JLG's maximum liability under this warranty shall be the purchase price paid to JLG with respect to the product to which such warranty is claimed. The limitation of liability provisions herein shall apply to any and all claims or suits brought against JLG, including any claim based upon negligence, breach of contract, breach of warranty, strict liability or any other theories upon which liability may be asserted against JLG.

This warranty constitutes JLG's entire and exclusive warranty as to the product and is the sole and exclusive remedy for product defects in material and workmanship. JLG does not assume (and has not authorized any other person to assume on its behalf) any other warranty or liability in connection with any product covered by this warranty. **JLG EXPRESSLY DISCLAIMS ANY AND ALL OTHER WARRANTIES OF ANY KIND WHATSOEVER AS TO THE PRODUCT FURNISHED HEREUNDER, INCLUDING BUT NOT LIMITED TO ANY EXPRESS WARRANTIES, EXCEPT FOR THE EXCLUSIVE WARRANTY PROVIDED HEREIN, OR IMPLIED WARRANTIES AS TO MERCHANTABILITY, OR FITNESS FOR ANY PARTICULAR PURPOSE.**

This warranty shall be void, if, upon the occurrence of any incident involving any product made by JLG and resulting in any personal injury or property damage, customer shall fail to notify JLG within 48 hours of such occurrence or permit JLG and its representatives to have immediate access to such product and all records of or within the control of customer relating to the product and occurrence.
