## MEMORANDUM

To: Dr. Valerie Jochen, Board President

From: Dr. Clark Ealy, Superintendent of Schools

Date: February 13, 2015

Subject: Consider approval of 2015 Planning for Growth Committee members

Agenda Item: E-3

Board Priority/  
District Goal: Priorities A & B; Goals 1, 2 & 3

---

### Background

The CSISD Board of Trustees has chartered a Planning for Growth (PFG) committee to study the district's enrollment growth, capacities of facilities and long range capital project needs. Board Policy BDB (Local) calls for the Board to approve the committee membership prior to the first meeting.

Board members and trustees submitted names to the administration for potential committee members. The district sought members who would be committed to the meetings, ask good questions, and who could consider the needs of the entire district not just a particular school or neighborhood. The proposed committee members have been contacted by the administration and are willing to serve.

### Recommendation

It is recommended that the Board of Trustees of College Station Independent School District approve the membership of the 2015 Planning for Growth Committee.
