

# College Station Independent School District

*Success...each life...each day...each hour*

## MEMORANDUM

To: Dr. Clark Ealy, Superintendent

From: Glynn Walker, Deputy Superintendent

Date: August 7, 2015

Subject: Purchase of energy management system

Agenda Item: J-6

Board Priority/  
District Goal: Priority 3, Goals 1, 2 and 3

## BACKGROUND

The current energy and building management system has been in place for more than a decade. It no longer meets the needs of the district and is a software system that is no longer supported by the manufacturer. The Facilities Department researched available resources and has worked with TEAM Solutions, Inc. on a proposal. TEAM Solutions is an approved vendor of the Texas Local Statewide Purchasing Cooperative (Buy Board) and this recommendation meets all requirements of purchasing law and local policy.

Jon Hall, Executive Director of Facilities and Mark Pantel, Director of Purchasing, recommend the purchase of a new energy management system from TEAM Solutions, Inc. per Buy Board Contract #458-14. Appropriations are available for this purchase from the Deferred Maintenance component of the 2013 Bond funds.

## RECOMMENDATION

It is recommended that the College Station Independent School District School Board approve the purchase of the energy management system from TEAM Solution, Inc. for the amount of \$131,132.00 to be paid from 2013 Bond funds.

GLYNN WALKER  
Deputy Superintendent for  
Business and Operations
