## MEMORANDUM

To: Dr. Clark Ealy, Superintendent  
From: Glynn Walker, Deputy Superintendent  
Date: August 7, 2015  
Subject: Consider approval of Edgenuity subscription renewal  
Agenda Item: J-7  
Board Priority/  
District Goal: Priority 3, Goal 4

### Background

Edgenuity is a software program designed for many instructional purposes. Timber Academy has been using this program during this school year and is reporting recurring student academic successes. It has been successfully utilized at all three high schools in CSISD, allowing students access to high school course work for unique courses such as Mandarin Chinese, original credit courses, credit recovery, and special education support. Also included in this agreement are STAAR, EOC, SAT, ACT and college exam preparatory courses.

The request meets the sole source requirements of state purchasing law. The Department of Curriculum and Instruction recommends the renewal of this subscription to continue choice, flexibility and support for our student educational opportunities.

### Recommendation

It is recommended that the Board of Trustees of the College Station Independent School District approve the renewal of the Edgenuity subscription for three (3) years at an annual cost of \$74,920.00.
