To: Dr. Clark Ealy, Superintendent  
From: Mike Martindale, Deputy Superintendent  
Date: October 10, 2018  
Subject: Consider purchase of laptop computers for Oakwood Intermediate School  
Agenda Item: J-1.

---

### Background

Administration at Oakwood Intermediate has identified the need for new laptop computers for student use to support a new literacy initiative which is designed to help assist with closing the achievement gap between different student learners. In addition to this, these new laptops will also allow Oakwood to utilize Schoology and Nearpod in the classrooms. Each content area can and will benefit from access to these new laptops. In consultation with the Technology Department, the attached quote from Avinext for Hewlett Packard laptops was secured.

These laptops are available per the National Cooperative Purchasing Alliance (NCPA) Contract #01-65. The NCPA contracts have been competitively bid and meet the competitive bid requirements.

It is the recommendation of Mark Pantel, Director of Purchasing, and David Hutchison, Director of Technology, that we purchase these laptop computers for Oakwood Intermediate School from Avinext in the amount of \$131,220.00 per NCPA Contract #01-65 using Title 1 Federal Funds.
