*Success...each life...each day...each hour*

## MEMORANDUM

To: Dr. Clark Ealy, Superintendent

From: Mike Martindale, Deputy Superintendent

Date: December 11, 2019

Subject: Consider approval of purchase of Mizuni Data Warehouse renewal

Agenda Item: J - 3.

## BACKGROUND

In October 2015, a committee of district and campus-level administrators came together to conduct a search for a platform that would allow for quick and easy access to state and local assessment data, grades, attendance, and background data with the capability to generate reports on various subgroups of students. The best system would be one that the district could customize input and show data in multiple ways and from multiple sources.

Mizuni fully integrates with eSchool, the district's current student information system, and can incorporate locally created data and provides a seamless solution to our student data management needs. The Mizuni product is available per the Central Texas Purchasing Alliance (CTPA) RFP #11392 of which we are a member.

Carmella Shafer, Director of Purchasing, and David Hutchison, Director of Technology, are recommending the purchase of the renewal of Mizuni Data Warehouse Software License for 2020 in the amount of \$61,300.00 per Central Texas Purchasing Alliance (CTPA) RFP #11392 using the 2019-20 General Fund.
