

2021 Bond Planning Committee Charter

Background:

College Station ISD (CSISD) has determined that while new facilities are not recommended at this time, however, there is an immediate need for other projects and equipment normally funded with bonded indebtedness.

Committee Purpose:

The purpose of the 2021 Bond Planning Committee is to review CSISD's need for a bond referendum to support the district in areas including but not limited to: facility renovations, deferred maintenance, buses, fine arts, land acquisition, technology, and other potential capital needs.

Committee Responsibilities:

Based review of the CSISD debt capacity and needs described above, the Bond Planning Committee will make a recommendation to the Board of Trustees on whether to pursue a bond election, potential timing of a bond election and potential projects to be included in this bond program.

Proposed Timeline:

March 9, 2021 – Committee membership determined

April - May 2021 – Committee meetings to review the need and potential projects

May 2021 – Committee Update to the Board of Trustees

June 2021 – Committee finalizes recommendations

July 2021 – Committee presents final recommendations to the Board of Trustees
