MEMORANDUM

To: Mike Martindale, Superintendent *mm*

From: Molley Perry, Chief Administrative Officer *mfperry*

Date: March 4, 2021

Subject: Charter and Membership – 2021 Strategic Design Committee

Agenda Item: E-2

BACKGROUND

Over the past several months, the CSISD Board of Trustees has discussed the need to engage in a strategic planning process to better plan for the future of the district. After reviewing options for strategic design facilitators, the Board took action in a special workshop meeting on January 7, 2021 to enter into an agreement with engage2learn to assist with this process.

CSISD Board Policy BDB(Local) allows the Board of Trustees to charter ad hoc advisory committees to study and make recommendations regarding the needs of the district. The purpose of the Strategic Design Committee is to consider information gathered through community engagement and develop a strategic plan for the district.

RECOMMENDATION:

It is recommended that the College Station ISD Board of Trustees adopt the proposed charter and committee membership for the 2021 Strategic Design Committee.
