Date: July 16, 2021
Subject: Consider Approval of the District Improvement Plan Goals for the
2021-2022 School Year
Agenda Item: H-2

BACKGROUND

The CSISD District Educational Improvement Council (DEIC) has the responsibility of recommending to the School Board the District Improvement Plan (DIP) goals each year. The DEIC met on June 9, 2021 after the Strategic Planning Committee completed their work to review data and consider the goals for the 2021-2022 DIP. Based on program data reports presented to the DEIC on March 10, 2021, the district Strategic Plan, Board Core Beliefs and Commitments, and the DIP Executive Summary, the DEIC is recommending goals aligned with the Strategic Plan goals for the 2021-2022 DIP.

1. CSISD will enhance effective instructional practices by implementing innovative and personalized learning experiences.
2. CSISD will elevate academic outcomes of historically underperforming student groups.
3. CSISD will enrich students' school experience by strengthening relationships between students, staff, and families.
4. CSISD will cultivate and strengthen intentional partnerships with local businesses, community organizations, and higher education agencies.
5. CSISD will improve the technology ecosystem by increasing access to devices, strengthening technology infrastructure, and ensuring a safe and secure digital environment.
6. CSISD will transform the learner experience through purposeful integration of instructional technology to augment the teaching and learning process.
