

College Station Independent School District

Success...each life...each day...each hour

MEMORANDUM

To: Mike Martindale, Superintendent 

From: Amy Drozd, Chief Financial Officer 

Date: September 16, 2021

Subject: Consideration the purchase of a three-year software license agreement for Study Island from Edmentum

Agenda Item: J – 2.

BACKGROUND

District staff researched software packages that will assist the district in meeting TEKS needs for CSISD intermediate and middle school campuses. The review team found that Study Island best fit CSISD's needs by providing teachers with an adaptive instructional resource that identifies the needs of each student, matching those needs with instructional experiences. Further, with the elementary campuses using a different software, it will provide a variety of learning experiences over multiple years.

The three-year software agreement will be assessable to all CSISD intermediate and middle schools providing continuity between campuses. Study Island is made available from Edmentum. through the BuyBoard Contract # 573-18 at a cost of \$110,198.95. This expenditure meets the requirements of the Elementary and Secondary School Emergency Relief (ESSER III) Funds has been planned and budgeted for in that Fund.

It is the recommendation of Ms. Carmella Shafer, Director of Purchasing, and Ms. Tiffany Parkerson, Executive Director of Secondary Education, that CSISD purchase a three-year software agreement for Study Island from Edmentum. In the amount of \$110,198.95.

RECOMMENDATION

It is recommended that the College Station Independent School District Board of Trustees approve the purchase of a three-year software agreement for Study Island from Edmentum. In the amount of \$110,198.95 per BuyBoard Contract # 573-18 utilizing ESSER III Funds.
