MEMORANDUM

To: Amy Drozd, CFO

From: Carmella Shafer, Director of Purchasing

Date: August 16, 2021

Subject: 3-year contract for Edgenuity Site License renewal with an annual payment plan

Edgenuity is a software program designed for many instructional purposes. College View High School, A&M Consolidated High School, and College Station High School have been using this program for several years and are reporting recurring student academic successes. This program allows students access to high school and middle school coursework for unique courses such as Mandarin Chinese, original credit courses, credit recovery, and special education support. Also included in this agreement are STAAR, EOC, SAT, ACT, and college exam preparatory courses.

The Department of Curriculum and Instruction recommends the renewal of this subscription to continue choice, flexibility, and support for our student educational opportunities. The quote from Edgenuity, Inc. is for the renewal of the site licenses at the three high schools and the addition of site licenses for three middle schools per the BuyBoard Contract # 573-18. All items included in this contract have been competitively bid and awarded by the Cooperative's Board of Trustees based on state statutes.

It is the recommendation of Carmella Shafer, Director of Purchasing, and Penny Tramel, Chief Academic Officer to purchase the three-year (3) renewal of the Edgenuity subscription for 2021-2024 at an annual cost of \$70,920.00 for a three year total of \$212,760 per BuyBoard Contract 573-18 to be paid annually from Instructional Material Allotment (IMA) funds.
