

MEMORANDUM

To: Dr. Tim Harkrider, Superintendent 

From: Bridget Cooper, Director of Human Resources 

Date: September 16, 2025

Subject: Consideration and Possible Approval of Career & Technical Education Positions for Phase II of the CTE Center

Agenda Item: I-2

BACKGROUND

College Station ISD is currently expanding the square footage and usage capabilities of the Ag Barn to include the New CTE Center. New programs to the CTE Center beginning Fall 2026 will include: Ag Mechanics, Automotive, Construction, Cosmetology and Welding. The administration respectfully requests Board approval of the following positions to support student enrollment, program expansion, safety standards and basic campus operational needs :

- Automotive
- Welding
- Cosmetology
- Nurse
- Custodian
- Security Officer (Contracted Services)

RECOMMENDATION

It is recommended that the College Station Independent School District Board of Trustees approve the additional CTE positions for the 2026-2027 school year as presented.
